Double Helix Games

Publisher:

Square Enix

Release Date: 2 Nov, 2010

a09c17d780

English

---

(Front Mission Evolved - Wanzer Pack 2)

Oh man two more pretty generic Wanzer designs for \$4. Front Mission Evolved's DLC was a pretty bad ripoff in general, and while these might or might not have good multiplayer stats, they're pretty generic and unenviable design-wise and not nearly as hilariously required as the Rock Jack bazooka in multiplayer.
